The elevated rooftop dining and nightlife experience will debut in San Diego's Gaslamp Quarter this fall, with more locations to come

SAN DIEGO – Sept. 13, 2022 – San Diego residents and visitors can soon step into the first-ever Villa One™ Tequila Gardens. The highly-anticipated dining experience, in partnership with Nick Jonas and John Varvatos, will open its doors to guests starting on Wednesday, September 21st. The rooftop destination will feature Villa One craft cocktails, as well as an extensive list of top tequila selections, modern Mexican fare, and sweeping views of downtown San Diego.

"I'm so excited to bring the Villa One vision and ethos to life with the Villa One Tequila Gardens," shares Villa One co-founder John Varvatos. "When creating the tequila with my good friend and business partner, Nick Jonas, we always envisioned our fans being able to experience the brand as a lifestyle, beyond the liquid, and the Tequila Gardens does just that."

Villa One Tequila Gardens embraces the sentiments that embody Villa One Tequila - experiencing "Life as it Should Be™" with friends old and new. A space designed for creating memories, the restaurant transports guests to Mexico with luxurious textiles, shades of green inspired by agave fields, and accent walls with neon signs.

With more than 5,000 square feet of open-air seating surrounded by stunning views of downtown San Diego and the Coronado Bridge, Villa One Tequila Gardens will provide a picturesque setting to dine and lounge with patio-style seating for 110, a communal table for socializing, firepits, and an intimate 14-seat bar all accented by the San Diego skyline.

More than 160 tequilas and mezcals make Villa One Tequila Gardens a one-of-a-kind experience for any occasion. Prepare to be wowed by the Cantarito, the restaurant's specialty cocktail, made tableside with Villa One Tequila, fresh, hand-squeezed lemon, lime, orange and grapefruit juices, and served in a ceramic "jarrito" vessel. A wide list of margaritas offer the perfect libation for any guest, and those who can't decide can opt for a margarita flight that features multiple smaller sized drinks served side-by-side, or can choose from a curated wine list and local craft beer. Signature drinks include the V1, the signature Villa One™ margarita made with fresh lime juice, prickly pear puree, house-infused castile rose simple syrup, Crème de Violette and Villa One tequila topped with lavender essence and black volcanic rock salt; as well as Carajillos, an Old Fashioned, V1 Manhattan margaritas, and much more.

A [menu](#) of fresh, flavorful Mexican cuisine designed for sharing includes fresh seafood ceviches, aguachiles, tostadas, tacos, Mexican-inspired sushi rolls, and more.
